PROGRAM HIGHLIGHTS

OPERATING HOURS

This month there are a lot of changes happening at The Loft, one of which being our hours are expanding. Instead of only being open 3:30pm to 6pm, The Loft will be open 12pm to 8pm on weekdays. Next month we're looking to include Saturdays!

COMMUNITY HELP

Every day you'll notice a time blocked out from 12pm to 3pm called "Community Help". These hours are dedicated to helping youth with school work, job/college applications, or other life skills.

TRUE COLORS

With LGBT+ Spectrum of Findlay gone, and Kaleidoscope pulling out of Hancock County, we've noticed a need for LGBT+ youth support. So, to help fill the gap we're kicking off this mental health group every Friday at 6pm. All are welcome!
